

# BFBF 2412 SS

12 cu.ft (340 L) Total Gross Volume  
NeoFrost™ Cooling

## Fridge

- 6.85 cu-ft (194 L) net fresh food volume
- Chrome coated wine rack
- Bottle holder
- Illumination with white LED
- 3 safety glass shelves
- 3 door racks
- 2 egg trays
- Field reversible hinge design
- Energy Star® 2014 qualified

## Freezer

- 3.49 cu-ft (99 L) net freezer volume
- Auto defrost
- Ice cube tray
- Fast freeze function

## Hygiene

- Antibacterial seal

## Technical Information

- Dimensions (HxWxD) (cm): 175.4x59.5x65
- Dimensions (HxWxD) (In): 69 1/16x23 7/16x25 9/16
- \*Depth is with door handles. (Without handles depth 23 5/8")

## Color

- BFBF 2412 SS: Fingerprint free stainless steel
- BFBF 2412 WH: White
- BFBF 2412 SL: Silver

## FEATURES

### NeoFrost™ Technology

Certain Beko fridge freezers are equipped with advanced NeoFrost™ Technology, which provides more homogenous, energy efficient and silent cooling. There is no air transfer between the freezer and fresh food compartments. This eliminates odor mixing.

### Hygiene+

Present in some fridges is the photo catalyst filter, which eliminates bacteria potentially present in the refrigerator by working in conjunction with the air-cooling systems of the no frost or static models. This ensures permanently high levels of hygiene, protection from bacteria buildup and reduced fridge odor. The carbon filter can be reactivated easily with just one day's exposure to sunlight.

### Fingerprint Free

Specially applied in-house coating on stainless steel prevents finger prints and allows easy surface cleaning of your appliance, preserving long lasting high quality look of the unit.

### White LED Lightning

The majority of models in the Beko range feature illumination with white LED for better aesthetics inside your fridge and less energy consumption.
