

36 INCH COUNTER DEPTH SIDE-BY-SIDE REFRIGERATOR

BFSB3622SS

Fridge Features

EverFresh+
 NeoFrost dual cooling technology
 ProSmart Inverter Compressor
 ENERGY STAR® certified
 Zone temperature adjustability
 Active fresh blue light
 IonGuard
 Filtered ice & water dispenser through the door
 Height adjustable cantilever shelves
 Gallon Bins
 Digital display on the door
 Interior theatre lighting with LED lights
 Professional design
 Counter Depth Design
 Finger print free stainless steel

Freezer Features

Automatic ice maker
 2 freezer drawers

Dimensions

H x W x D: 71 11/16" x 35 13/16" x 26 13/16"
 Depth is with door / without handles

MODEL CODE	BFSB3622SS
Cooling system	Duo Cycle Frost Free Cooling - NeoFrost
Control system	Electronic Control
CAPACITIES	
Total net volume, cu. ft.	19.32
Fresh food net volume, cu. ft.	13
Freezer net volume, cu. ft.	6.32
FRIDGE FEATURES	
Active Fresh Blue Light	Yes
EverFresh	Yes
IonGuard	Yes
Interior filtered water dispenser	No
Filtered ice & water dispenser through door	Yes
Electronic control display type	Digital display on the door
Auto defrost	Yes
Inner illumination	LED - Side walls
Shelves	4 Safety Glass
Crispers	2
Door racks	5
Wine rack	Yes
Bottle gripper	No
Compressor	Variable Speed VCC
Fan ventilation	Yes
FREEZER FEATURES	
Auto defrost	Yes
Number of freezer drawers	2
Automatic ice maker	Yes
Ice cube tray	No
TECHNICAL INFORMATION	
Supply voltage, V/Hz	120/60
Rated Current, A	2.5
Noise level, dBA	NA
DIMENSIONS	
HxWxD, in	71 11/16" x 35 13/16" x 26 13/16"
Product weight, lbs.	298
HxWxD, cm	182 x 90.8 x 68
Product weight, kg	135
PERFORMANCE	
Energy Star qualified	Yes
Climatic class	T
Annual energy consumption, kwh/year	580
Cooling gas	R134a

36 INCH COUNTER DEPTH SIDE-BY-SIDE REFRIGERATOR

BFSB3622SS

Outstanding Features

EverFresh+

Whether it's a healthy option for hungry teens or the key ingredient to a favorite recipe, you have a plan for every stalk, head or bunch that goes into your refrigerator. With meticulous temperature management and precise humidity control, our EverFresh+ technology keeps fresh food fresher three times longer than the average refrigerator – for up to 30 days! *

* Tested by SGS (compared to standard crisper for broccoli and lettuce)

NeoFrost Dual Cooling Technology

Between unloading the grocery bags and getting ready to prepare a meal, you probably don't spend a lot of time thinking about the food in your refrigerator or freezer. And that's okay, because here at Beko, we do. That's why we've developed our NeoFrost dual cooling technology to ensure your food stays fresher, longer.

Unlike conventional single cooling systems, NeoFrost cools twice as fast with two separate cooling systems that maintain optimal humidity in the fridge, while keeping the freezer dry and frost-free.

ProSmart Inverter Compressor

The kitchen is a gathering place for your family. It's where plans are made and stories are shared. We've engineered the ProSmart inverter compressor to make sure our refrigerator never interrupts the conversation. As a matter of fact, the ProSmart compressor runs four times quieter than other refrigerator compressors. And the energy-efficient ProSmart compressor also meticulously maintains a consistent temperature to keep food fresher, longer.

IonGuard

Advanced IonGuard technology creates a fresh-air environment inside your refrigerator to protect and preserve foods longer and eliminate odor transfer.

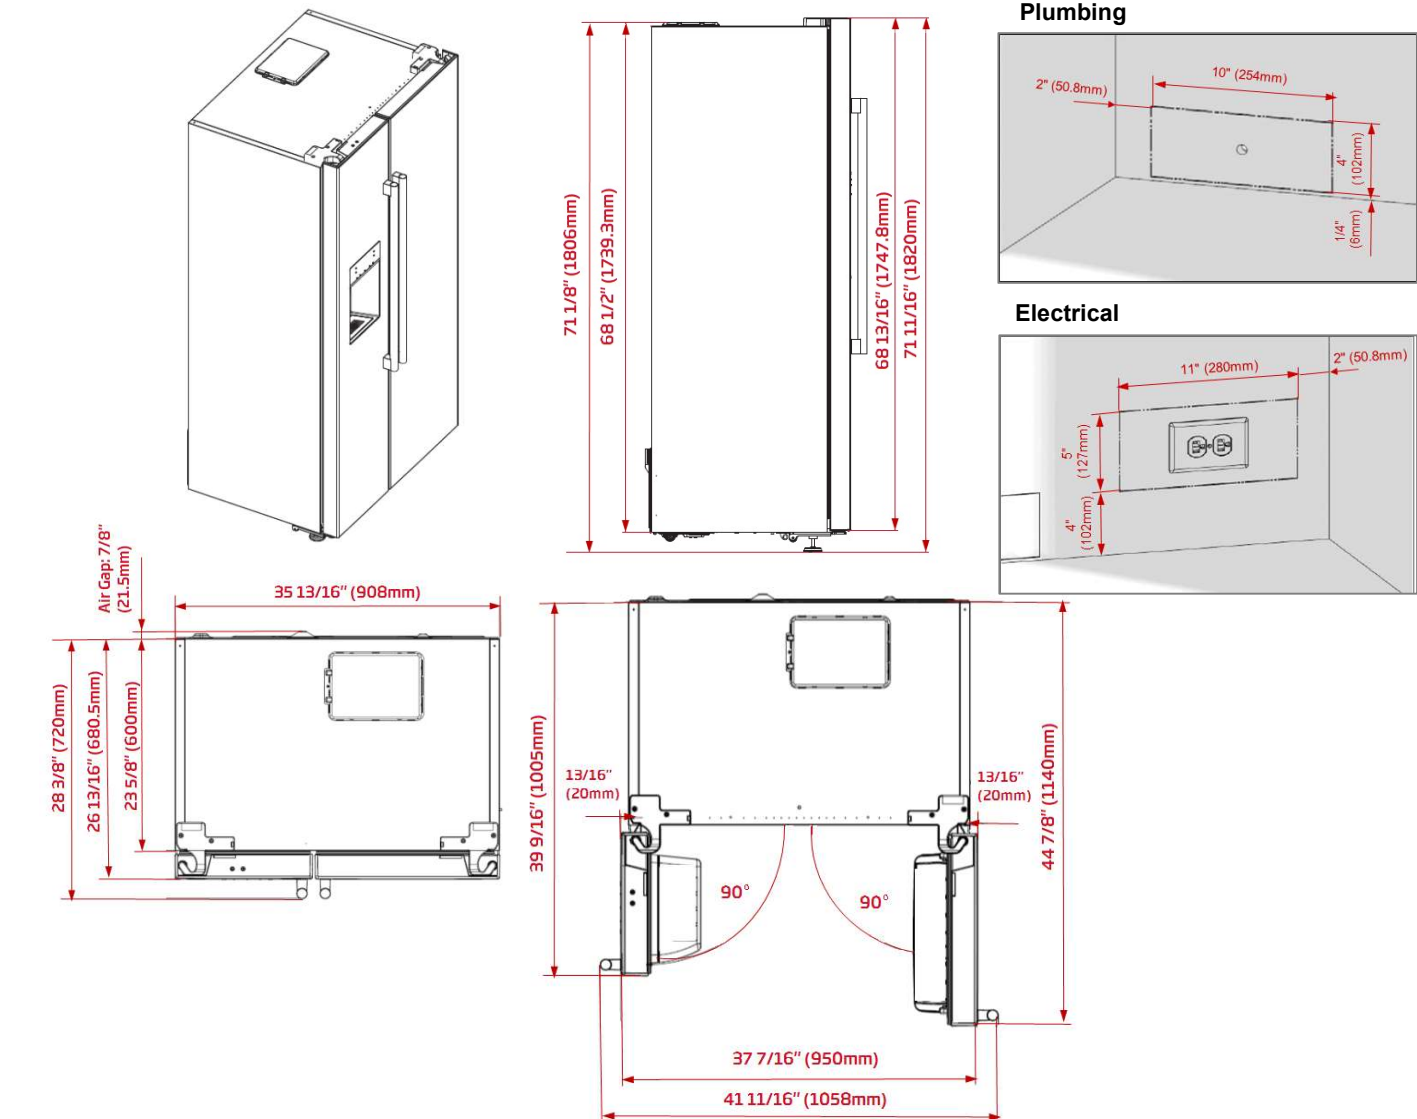

Ice & Water Dispenser on Door

You don't have to open the refrigerator to enjoy chilled water, ice cubes or crushed ice, all from one, convenient dispenser right in the door.
