

36 INCH COUNTER DEPTH FRENCH DOOR REFRIGERATOR

BFFD3620SS

Fridge Features

NeoFrost dual cooling technology
 ProSmart Inverter Compressor
 ENERGY STAR® certified
 Zone temperature adjustability
 IonGuard
 Height adjustable cantilever shelves
 XL Pantry Drawer
 Gallon Bins
 Inner digital display
 Interior theatre lighting with LED lights
 Professional design
 Counter Depth Design
 Finger print free stainless steel

Freezer Features

Turbo ice maker
 Ice bin with XL scoop
 XL Freezer Drawer
 Freezer slider bin

Dimensions

H x W x D: 69 3/4" x 35 3/4" x 26 13/16"
 Depth is with door / without handles

MODEL CODE	BFFD3620SS
Cooling system	Duo Cycle Frost Free Cooling - NeoFrost
Control system	Electronic Control
CAPACITIES	
Total net volume, cu. ft.	19.86
Fresh food net volume, cu. ft.	13.3
Freezer net volume, cu. ft.	6.56
FRIDGE FEATURES	
Active Fresh Blue Light	No
EverFresh	No
IonGuard	Yes
Interior filtered water dispenser	Yes
Filtered ice & water dispenser through door	No
Electronic control display type	Digital display on front top trim
Auto defrost	Yes

Shelves	4 Safety Glass
Crispers	2
Door racks	6
Wine rack	No
Bottle gripper	No
Compressor	Variable Speed VCC
Fan ventilation	Yes
FREEZER FEATURES	
Auto defrost	Yes
Number of freezer drawers	1
Automatic ice maker	Yes
Ice cube tray	No
TECHNICAL INFORMATION	
Supply voltage, V/Hz	120/60
Rated Current, A	2.7
Noise level, dBA	44
DIMENSIONS	
HxWxD, in	69 3/4" x 35 3/4" x 26 13/16"
Product weight, lbs.	298
HxWxD, cm	177.1 x 90.8 x 68
Product weight, kg	135
PERFORMANCE	
Energy Star qualified	Yes
Climatic class	T
Annual energy consumption, kwh/year	566
Cooling gas	R134a

36 INCH COUNTER DEPTH FRENCH DOOR REFRIGERATOR

BFFD3620SS

Outstanding Features

NeoFrost Dual Cooling Technology

Between unloading the grocery bags and getting ready to prepare a meal, you probably don't spend a lot of time thinking about the food in your refrigerator or freezer. And that's okay, because here at Beko, we do. That's why we've developed our NeoFrost dual cooling technology to ensure your food stays fresher, longer.

Unlike conventional single cooling systems, NeoFrost cools twice as fast with two separate cooling systems that maintain optimal humidity in the fridge, while keeping the freezer dry and frost-free.

ProSmart Inverter Compressor

The kitchen is a gathering place for your family. It's where plans are made and stories are shared. We've engineered the ProSmart inverter compressor to make sure our refrigerator never interrupts the conversation. As a matter of fact, the ProSmart compressor runs four times quieter than other refrigerator compressors. And the energy-efficient ProSmart compressor also meticulously maintains a consistent temperature to keep food fresher, longer.

Turbo Ice Maker

When you first come inside on a hot day, pour drinks for the crew after practice, or entertain friends and family, you count on your refrigerator to have plenty of ice on hand. That's why the Beko Turbo Ice Maker can generate a cool 11 pounds of ice in just 24 hours – that's an industry-leading ice making capacity with a single ice maker. So even if your household goes through lots of ice, the Turbo Ice Maker is ready.

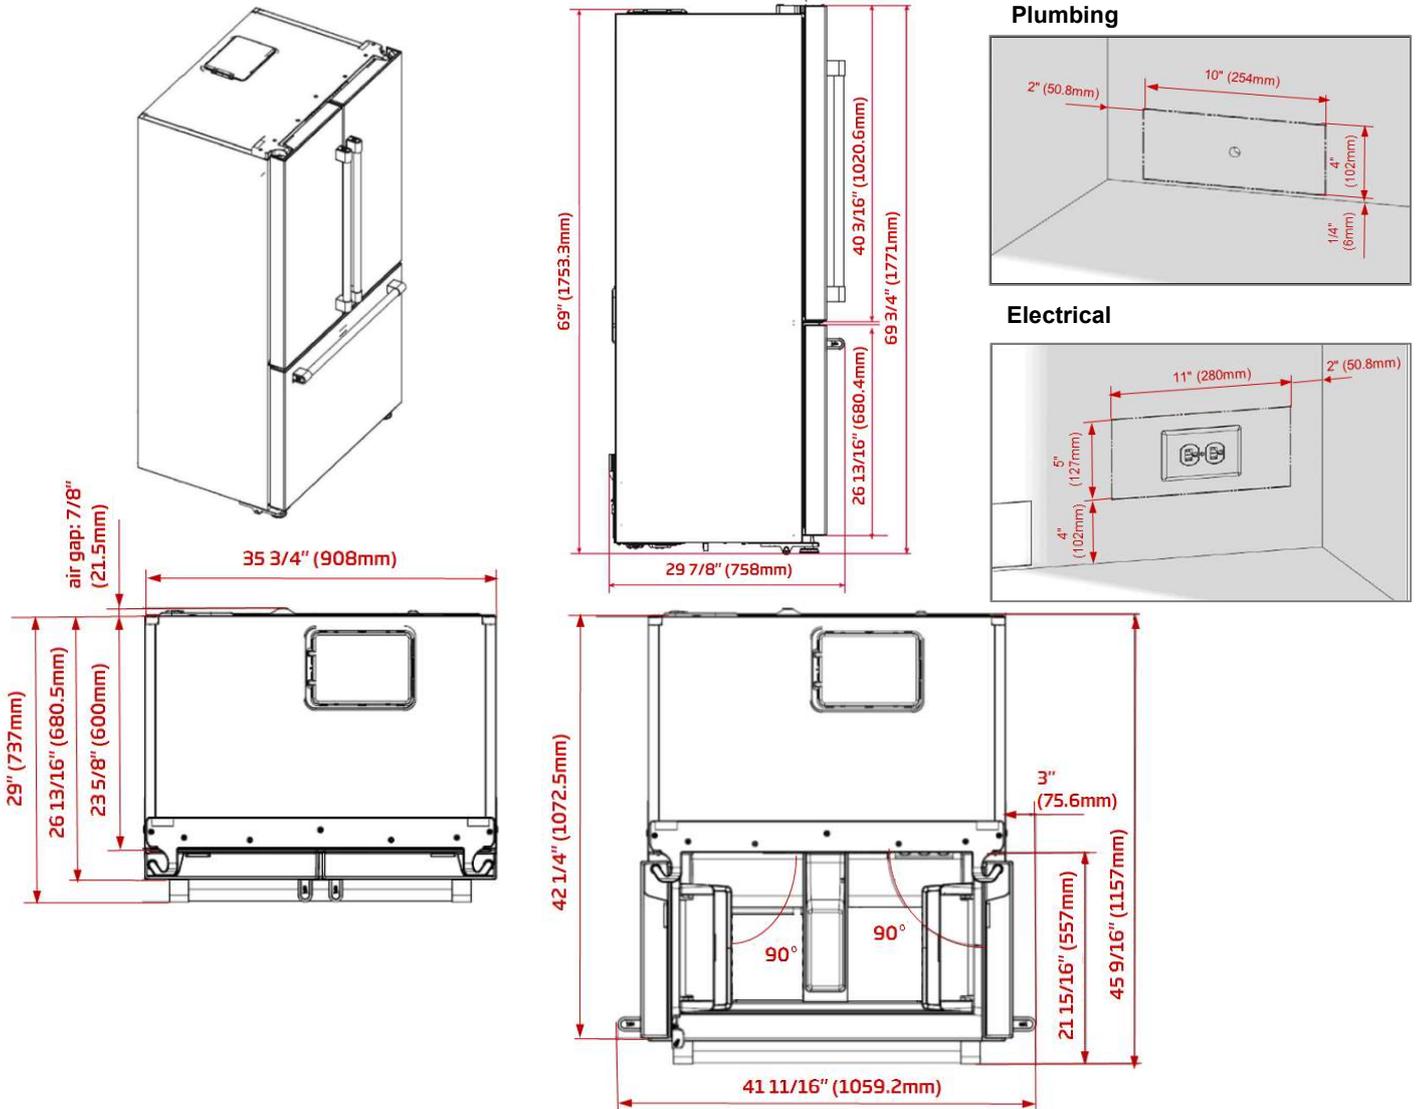

Flexible Storage Capacity

From party platters and 2-liter soda bottles to gourmet cheeses and a lone, leftover cupcake, your refrigerator keeps a wide variety of items visible and accessible. With height-adjustable cantilever shelves, sliding storage, gallon bins and extra-large capacity pantry and freezer drawers, Beko refrigerators are more than up to the task.
