## Outstanding Features

### Compact Washer & Dryer

Small but mighty, the Beko Compact Washer & Dryer turns any two-foot nook into a laundry room. Even with its space-saving compact size, this stackable dynamic duo boasts a surprisingly roomy 1.95 cu. ft. washing capacity, 3.7 cu. ft. drying capacity, and superior cleaning and drying performance.

### Stack Kit Included

Maximize space with the flexibility of our Stack Kit, allowing for optional stacking of your Beko washer and dryer.

### Anti-wrinkle

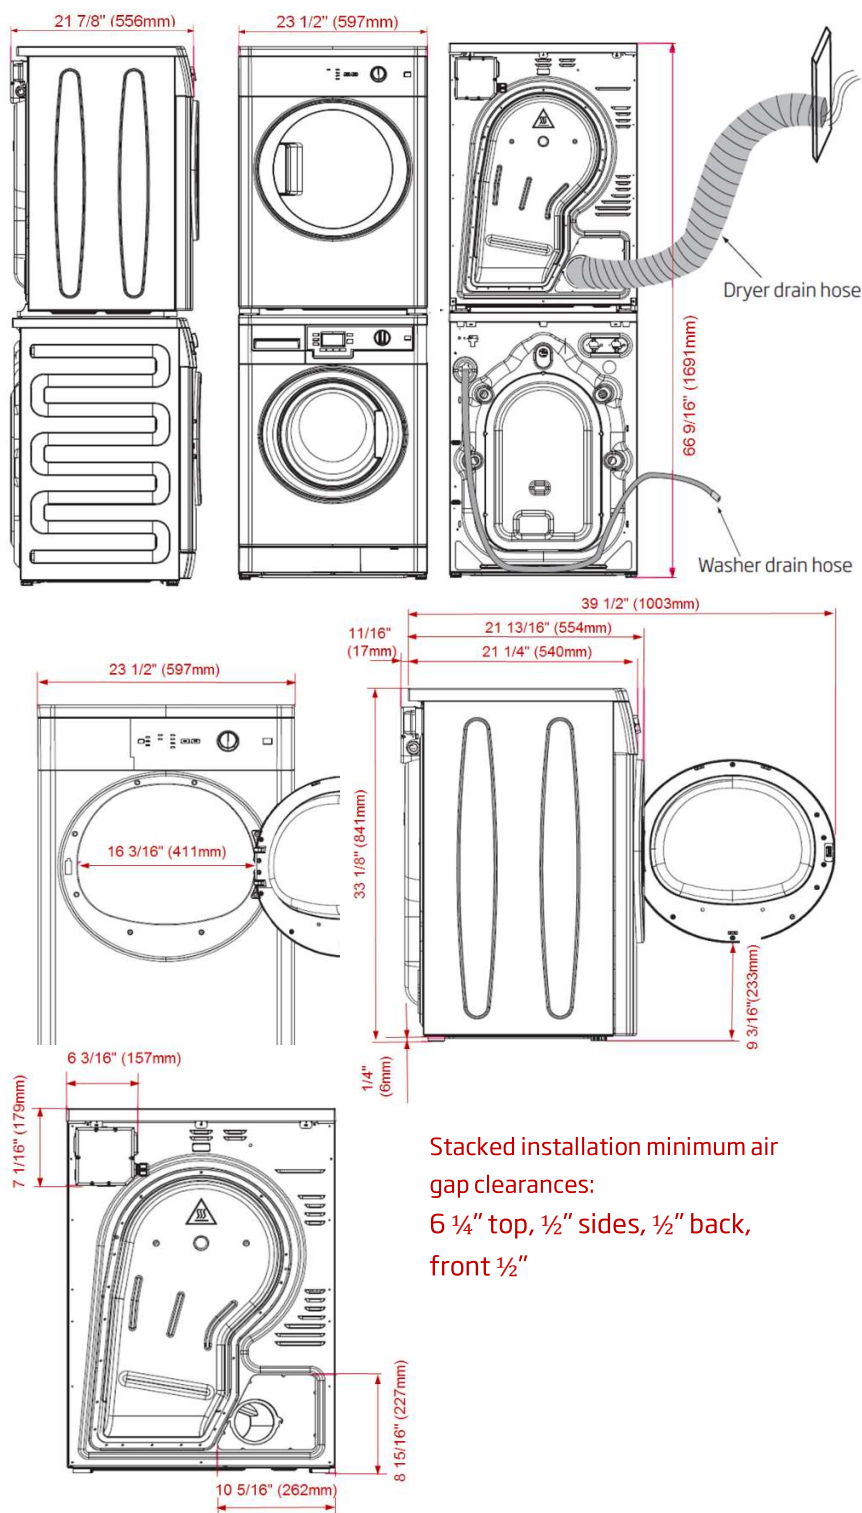

Gentle drum action separates clothing throughout the drying cycle to ensure ready-to-wear, wrinkle-free results. In case the laundry is not removed after the program is completed, the wrinkle prevention program that lasts 2 hours start to prevent wrinkling of the laundry that remains inside the dryer.
